Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 11 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry and settled this week.

Today:
Today will be dry with plenty of sunshine, especially during the morning. Some cloud will come and go through the afternoon, but it will feel pleasant in light winds. Maximum temperature 18 deg C (64 deg F).

Tonight:
Remaining dry with clear skies for much of the night. Turning chilly with a few mist and fog patches forming by the morning. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Once any mist and fog clears, it will be another dry day with a mixture of cloud and occasional bright or sunny spells. Perhaps some drizzle over northern hills later. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:
Staying largely dry with light winds through the remainder of the week. Some sunshine is likely at times but mist and fog patches will develop overnight, lasting into the mornings.
